Meridian Billing Escalation SOP

Duplicate-charge workflow for frontline customer support

KNOWLEDGE EXTRACTION + PERFORMANCE SUPPORT | SPEC LEARNING PROJECT

STANDARD OPERATING PROCEDURE

1. **Acknowledge repeat contact**
   Recognize prior contact before asking the customer to repeat details.

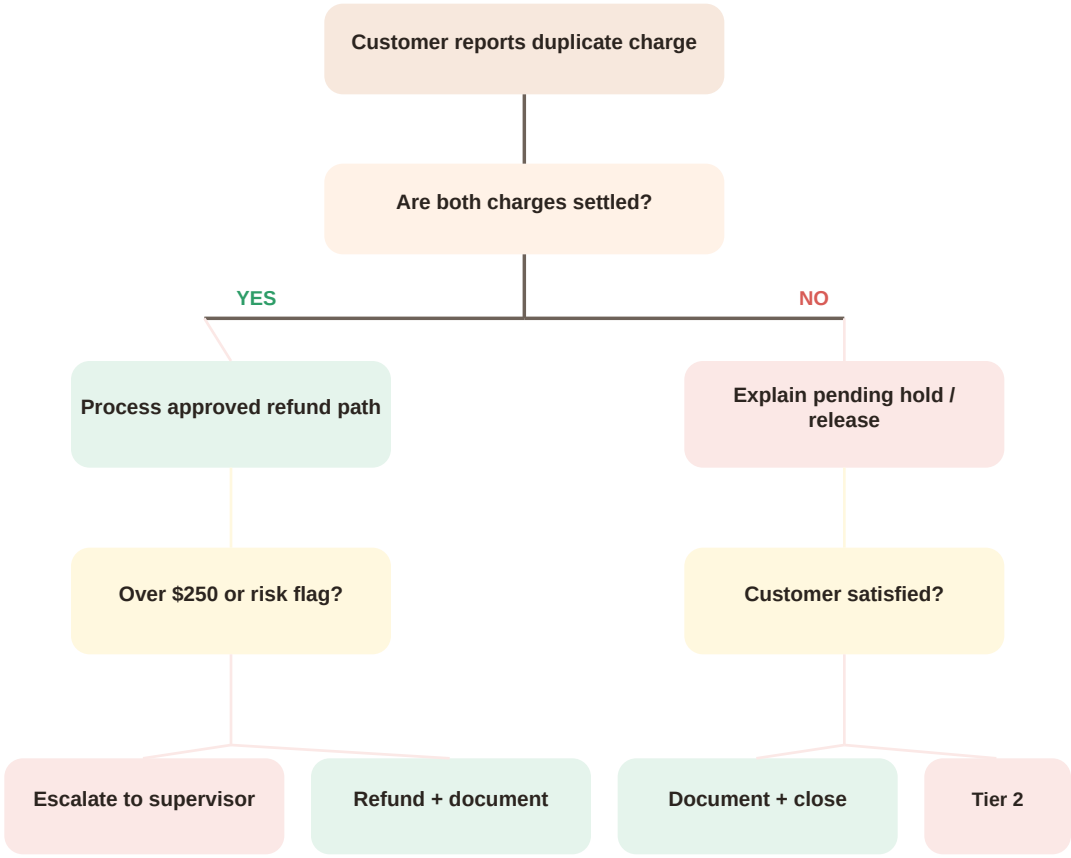
2. **Verify transaction status**
   Compare transaction IDs and confirm whether both charges are settled.

3. **Choose the correct action**
   If duplicated and settled, use the refund path. If pending, explain the hold.

4. **Check approval threshold**
   Escalate refunds above $250, legal threats, fraud flags, or repeated failures.

5. **Document the resolution**
   Record the verified issue, action, approval source, communication, and follow-up.

DECISION TREE



Verify first. Solve at the lowest appropriate level. Document every decision.
